Red Fox Graduation Day

STUDENT REVIEWS

Real stories. Real transformations. Real success with Red Fox Academy.

Rashi Chanda 

I loved every minute of my makeup course at Red Fox Academy! The environment is creative, the faculty is so experienced, and the course covers everything you need to know to be a pro. They give you the perfect blend of theory and practical experience. I feel fully prepared to work in the industry now.

Saloni Bawa 

Red Fox Makeup Academy is hands-down the best makeup academy! They provide such detailed and professional training, and the practical sessions are excellent. I started taking on clients right after finishing my course, and the skills I learned here set me apart. Can't thank Red Fox enough for helping me kickstart my career!

Komal Sharma 

I opened my own salon after completing the course at Red Fox Makeup Academy! Not only did they teach me exceptional makeup skills, but they also guided me on running a successful salon business. The training was thorough, and I left with the confidence to build my own brand. Highly recommend for anyone serious about a makeup career!

Ashwini Khichi 

Red Fox Academy offers the best makeup classes in Delhi! The instructors are incredibly talented and patient, and the course structure is perfect for both beginners and those wanting to refine their skills. I learned so much and have started working with clients right after finishing. Highly recommend to all aspiring makeup artists!

Shailja Kachru 

When I first joined Red Fox Makeup Academy, I knew absolutely nothing about makeup. I was hesitant, thinking I might not be able to keep up. But the faculty was so supportive and professional! They guided me every step of the way, and by the end of the course, I was confident and skilled enough to create professional looks. I'd recommend this academy to anyone wanting to excel in makeup.

Chaitanya Chawla 

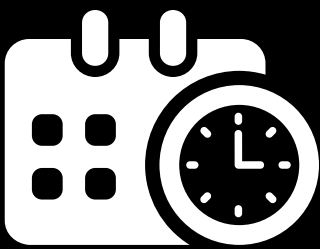

I completed my professional makeup course at Red Fox, and it was the best decision ever! The instructors are incredibly knowledgeable and provide hands-on training. After finishing, I started getting freelance clients immediately, and it's been an amazing journey since. If you're looking to turn your passion into a career, this academy is the place to start!
